About me

I'm a creative generalist passionate about blending art, technology, and storytelling. With roots in VFX and Media Art, I explore new ways to merge 3D, traditional animation, and AI-driven tools to create distinctive, expressive visuals.

Work Experience

Pixomondo Images GmbH & Co. KG
2012 - 2013 Editorial Trainee
2013 - 2017 Freelancer - VFX Editorial

Animation Director, Kalliope Filmwerk
2020 - 2023 for the animation short film Backup

Freelance Director, VFX Artist & Animator
2015 - now

Teacher for Motion Design, Academy of Illustration Berlin
2024 - now

Education

University of Arts & Design Karlsruhe | 2013 - 2021
Diploma (Masters Degree) in Media Art

Kyushu University - 九州大学 | 2019
International Exchange Program

Skills

Comprehensive knowledge of production processes, with a solid understanding of all technical aspects of the various production phases of time-based media.

This includes technical proficiency in working with various software suites, including:

After Effects, NukeX, Blender, Cinema4D, Photoshop, Premiere Pro, and DaVinci Resolve.

I also work with AI models (Stable Diffusion, Flux) in various environments (Forge WebUI, ComfyUI)
